3. **Barbara** – discussed the crosswalk signage issue and what can be done going forward to help improve/change signage for safety. Also commented on pedestrian safety in the city and what can be done to enhance or add to it including possible changes in the ordinances. She also wanted to talk about downtown parking in a future meeting.
4. **Angela** – commented on concerns with the round-a-bout at Grove and Fisher street. Specifically, the speeds vehicles exit it and enter the Fisher and Seventh, Fisher and Altamont street areas. She commented on trying to look for ways to slow those speeds by possible signage or other means.
