5. New Liquor License Application - Roll Call Vote

Commissioner Cary Gottlieb moved to deny the resolution recommending Michigan Liquor Control Commission approval of a new Development District liquor license for Sips and Suds, LLC at 629 North Third Street until (1) the Commission knows the request is for a location zoned for the proposed use; (2) the Commission hears more detail with what specific investment thresholds need to be met to qualify; and (3) assuming the City Commission ultimately passes a resolution and the MLCC approves it, the CC knows there will be an opportunity for the public, the Planning Commission or the City Commission to have concerns addressed about this type of usage at this location. Mayor Pro Tem Ottaway seconded the motion and discussion ensued.

Commissioner Gottlieb requested information from staff.

City Attorney Suzanne Larsen said this is an unusual item for Commission review because it is for a new license, and she said the Commission's action is primarily to determine whether there is any reason the applicant should not be eligible for a liquor license, such as a history of local issues or concerns. She said investment thresholds and zoning regulations are not a part of the Commission review but said those would be reviewed and verified through existing processes.

Several commissioners stated they did not see a basis to deny this recommendation, emphasizing the agenda item was limited to the liquor license recommendation and that zoning/land use and state licensing requirements would be handled through the proper channels.

The Commission then voted on the motion to deny the resolution. This vote failed, with commissioners voting unanimously against it.

Mayor Pro Tem Jerney Ottaway moved to Approve the attached resolution recommending Michigan Liquor Control Commission approval of a new Development District liquor license for Sips and Suds, LLC at 629 North Third Street, seconded by Commissioner Sally Davis and Carried Unanimously.

Public Comments - Comments may not exceed three minutes per person. Please state your name and physical address when making public comments.

Matt Blondeau said he owns another liquor license in the City and has had no violations. He also said his project is a permitted use under the current zoning and that he has been in discussion with planning and zoning staff about his plans.

Comments from the Commission

Commissioner Davis wished everyone a safe and happy holiday.

Commissioners Gottlieb, Hanley and Larson had no comments.

Mayor Pro Tem Ottaway said he appreciated Commissioner Gottlieb for raising his questions and concerns tonight, as the discussion leads to the Commission really considering its role. He wished everyone a happy holidays.

Mayor Schloegel wished everyone a happy holidays and asked people to try to shop local this season and to look out for and help their neighbors if possible.

Comments from the City Manager

Deputy City Manager Sean Hobbins wished everyone a happy holiday and asked residents to be considerate of the public employees that will be working during the holidays.

Adjournment

Mayor Schloegel adjourned the meeting at 6:33 p.m.

Paul Schloegel, Mayor

Consent Agenda - Roll Call Vote **Ordinance 26-1: Animals**

BACKGROUND:

City staff has recently started a comprehensive review of the Marquette City Code, with the goal of modernizing processes, eliminating redundancies, and removing provisions that are no longer supported by state law or best practice.

Each chapter is being audited for clarity, compliance, internal consistency, and alignment with day-to-day operations. Where substantive changes are warranted, staff will recommend ordinances for consideration.

The attached ordinance, detailing proposed changes to chapter 8 of the city code, is a product of this review.

The proposed ordinance is intended to provide clarity to the regulations on animals in the city by updating definitions and reorganizing the chapter.

In addition, it will clarify the processes of pet licensing and off-leash area passes to reflect state law and internal policies.

Finally, it will add regulations on the transportation of exotic animals within the city.

Per City Charter, an ordinance cannot be adopted at the meeting at which it is introduced. This ordinance will appear at a future meeting for final consideration.

FISCAL EFFECT:

None.

RECOMMENDATION:

Move Ordinance 26-1 to the next regular meeting agenda for consideration.

Consent Agenda - Roll Call Vote **Portable Radio Purchase**

BACKGROUND:

The Marquette Police Department's current 800 MHz portable radios are more than 20 years old, discontinued, and increasingly difficult to repair. They lack modern features and do not meet the FBI's encryption mandate, which will become effective October 1, 2026.

Due to the immense financial burden this mandate puts on agencies, the FBI has advised that if agencies are not able to make a full transition in the short-term, it will consider them in compliance if they have a replacement plan in place. MPD has implemented a phased replacement plan and has replaced 13 of 37 radios over the past five years. The new radios offer encryption and Wi-Fi capability for improved communication reliability.

The plan for FY 2026 is to purchase 4 more portable radios and associated accessories. The following quotes were obtained:

Tele-Rad	\$33,100.97
Motorola Solutions	\$33,702.93
Elcom	\$33,772.18

FISCAL EFFECT:

Funding for this purchase has been allocated in the approved Fiscal Year 2026 budget. No additional appropriation is required.

RECOMMENDATION:

Authorize the purchase of 4 Motorola APX N70 portable radios and associated accessories in an amount not to exceed \$33,100.97 from Tele-Rad.

ALTERNATIVES:

Background. The City grants permission to the NTN to access its properties, as shown on the attached Exhibit A, to prepare and maintain a non-motorized recreational trail subject to the following terms and conditions as outlined in this permit.

1. Grant of Permit. Permission is granted by the City to access the property for trail preparation and maintenance of a non-motorized recreational trail ONLY for the specific purpose of holding the Noquemanon Ski Marathon. The City makes no warranty as to the condition of the property. The NTN specifically agrees to assume all risks associated with the trail preparation and maintenance of a non-motorized recreational trail. This trail is for non-motorized recreational use only, to include residents of the City and other members of the public. The NTN will use signage and other aids as appropriate to help prevent unauthorized use. The NTN may use motorized equipment to perform trail grooming and maintenance, as needed. Access is granted only to the City property noted on the attached map.

Permission is granted to develop trails up to sixteen feet (16') in width as shown on the attached map. Any materials removed for the preparation of the trail, including timber, are to be left adjacent to the trail for habitat restoration in accordance with local ordinances and as directed by the City and NTN at their cost. Any merchantable timber removed, as determined by a City representative, will remain the possession of the City. The NTN is to leave the condition of the properties in the same or better condition as it was before entering the property for trail preparation and maintenance of a non-motorized recreational trail. There will be no interference by the NTN and/or the NTN's contractors or agents with any City operations on its property. It is further agreed that access by the City to its land shall be maintained at all times. The NTN agrees that there shall be no impairment of natural or installed drainage facilities occasioned by the aforementioned use of City property. The NTN must repair drainage aids and bridges or restore areas to their historic condition.

Upon written notice of such cancellation or termination, the NTN will immediately cease to use the property of the City.

2. Reimbursement of Damages. The NTN shall reimburse the City for any damages to the City's property caused by the NTN's entry on the property for the purpose of this license.
3. Liability. The NTN hereby releases, waives, discharges, and covenants not to sue the City, its departments, officers, employees, and agents from any and all liability to NTN, its officers, employees, and agents for all losses, injury, death or damage, and any claims or demands therefore, on account of injury to person or property, or resulting in death of

NTN's officers, employees, agents, guests, or participants whether caused by the City, its departments, officers, employees, or agents.

4. Indemnification. The NTN hereby covenants and agrees to indemnify and save harmless, the City, its departments, officers, employees, and agents from any and all claims and demands for all loss, injury, death or damage that any person or entity may have or make, in any manner, arising out of any occurrence related to (1) this permit; (2) the activities authorized by this permit; and (3) the use or occupancy of the property which are the subject of this permit, as well as any other City property.
