His comment was followed up by Commissioner Bonsall with several questions.

Commissioner Bonsall asked if the Parks and Recreation Advisory Board (PRAB)

had the opportunity to review the grant and for an explanation of the location to be utilized as a trailhead, opposed to the Marquette Commons. Staff responded that PRAB would be reviewing it at their meeting tonight, as it was their first opportunity to do so. Staff also explained the diversity of the Marquette Commons with numerous events and the difficulty to find parking due to the busyness of the area, identifying the Father Marquette Park, cultural trail and LSCP building as the best location for the downtown trailhead.
