Work Session Business - Arts and Culture Strategic Plan

What fulfills the objective from a staff perspective.

Discussed how to integrate arts master plan w/city master plan/processes.

What we've done, what we want to do. Two sides "completed" section more of a summary with things we still need to address. Rating system

(1.1.A.) – Economic Impact Study and articulation. 4Xs plus an ask – include for-profit sector too! And articulate! *Public Input...

(1.1.B.) – Access to City Resources and Services. *Combined with 1.3.a, material support for artists.

(1.1.C.) – Facilities and public art. (bandshell, new facilities on city property.

(1.1.D.) – Division infrastructure and services

(1.1.E.) – Physical Location

(1.1.F.) – A&C Committee (join w/1.1. D.)

(1.2.a.) – Youth, Senior Education

(1.2.b.) – Arts community recognition

(1.3.a.) – Material support for artists

(2.1.) – Marketing

(2.2.) – Coalition Building

(2.3.) – Festivals

(2.4.) – Public Input (join w/ 1.1.A)

(2.5.) - Local talent development

(2.6.) – Creative economic and community development

Where do we plug in more broad cultural support (beyond “arts”)? Cultural Trail... sharing knowledge.

Select top three:

Travis: public input, coalition building, facilities & public art & cultural trail

Peter: public input, access to city resources & services/material support, coalition building.

Maddie: material support for artists/access to city resources & services, creative economic & community development.

Tina: Facilities & public art & cultural trail, physical location, public input

Jamie: material support for artists/access to city resources & services, coalition building, creative economic & community development

Put it together and make a motion. Write up our review of our old master plan / progress and a summary of our recommendations based on this meeting.
